

Beyond the ACES

Barbara Greene
Associate Director

Carol W. Cecil
Executive Director

Learning Objectives

1. Participants will explore and discuss family reaction to ACES.
2. Participants will assist families in interpretation of ACE scores in the context of their family and culture.
3. Participants will gain strategies in supporting families with higher ACE scores in moving forward in an effective way.

Participants will explore and discuss family reaction to ACES.

1. Scenarios and scoring the ACES
2. Weighing it out
3. Reactions and feelings

Participants will assist families in interpretation of ACE scores in the context of their family and culture.

- Customer's cultures?
- Family aspects?
- Power line and discussion
- Rude realities

Participants will gain strategies in supporting families with higher ACE scores in moving forward in an effective way.

Small group work

- How do you help parents move through the emotions that come with that knowledge?
- How do you help parents identify and utilize their resilience lessons with their children or grandchildren?
- How will understanding this process for parents help you to better meet your customer's needs?

You said it!

- Get out your phones.
- Go to www.menti.com and use the code
- Please leave one to three words about what you learned from today's presentation.

How else can KPFC help you and your agency?
